Voici votre Back Office ! Bienvenu dans l'équipe Française !

The screenshot displays the MYTRAVEL VENTURES back office interface. On the left, a sidebar menu lists various options: Profile, Contacts, Links, Tools, My Business, Training (which is highlighted in blue), Support, Shop, Travel Portal, and Logout. The main content area is titled "Training" and shows a breadcrumb navigation path: Home / Training. Below this, there are four cards: "Welcome" (blue background), "Getting Started" (white background), "Travel Tutorials" (white background), and "Compliance Videos" (white background). The overall design is clean and modern, with a white background and a dark blue sidebar.
